### The DIMMER VIEW

by MAX GOODWIN

There's another way of looking at the well-mounted offensive of the State Welfare Department. The hassle may well be the show down test of power between appointed administrators and elected officials. San Diego would become the arena for decisions more far reaching than most persons realize.

There is no secret that professionally trained appointees are embattled to wrest governmental authority from our elected officials. In the welfare case the attack is against the supervisors, the district attorney, and the judiciary.

More realistically, it is an attack on the sovereign rights of each citizen because it would take away from him the right as a voter to ultimately make policy decisions.

Such fear was voiced last week by Assemblyman Sheridan Hegland, who reported a concerted effort in Sacramento to destroy traditional county government by scuttling elected local officials and replacing them with "professionally trained" appointees over whom the electorate would have little or no control.

"Many of those most active in this movement are recent 'public administration' graduates of our colleges and universities," Hegland said.

"As a parade of witnesses appeared before a meeting of County and Municipal Government Committee of the State (Continued on Page 3)

### Achievement Tests Show High Results

John T. Warburton, assistant superintendent of the Grossmont union high school district, reported to the board of trustees last week that achievement test results this year show that district tenth and twelfth graders score higher than most of their counterparts across the country.

All students in the district score higher than the national average. At Grossmont, seniors scored in the 99th percentile, which means that only one percent of all those tested ranked above them. At Helix High, his year, sophomores scored in the 98th percentile, showing that 98 per cent of the students taking this test in the nation ranked below the Helix tenth grade. A total of 366 schools in 254 school systems (148,390 pupils) were used in determining standard scores, with a predominant number of schools

in the group from the eastern part of the country.

The Iowa Test of Educational Development is given to sophomore students at four schools of the Grossmont district. El Cajon High is engaged in a similar program, but they use a different test. At Grossmont this year, the second of the test series also was given to seniors, so that it is possible (Continued on Page 3)

### Grove Men's Club To Concentrate On Sociability

The Lemon Grove Men's Club decided Friday to aim at the purpose for which it originally was founded in 1932: pure sociability.

Henry A. (Andy) Anderson, one of the eight founders of the club, told about the big attendance that the club used to have—up to 100 members at a meeting when the population of Lemon Grove was only 1,500. (There were only 12 members present Friday.)

He said, and fellow founder Tony Sonka agreed, that in those days the sole purpose of the club was to give the men of the community a place and time each week to get acquainted with their fellow citizens.

Recent months, Anderson said, have seen the club drift away from its original purpose and into a haven of controversy.

"We stayed out of politics in those days," Anderson said, "and any man in the community knew that he could drop in for lunch and friendship."

Members of the club gave Anderson a round of applause and indicated that henceforth they will try for the oldtime sociability.

The tables in the clubroom at Michael's Cafe will be set up in a manner to encourage discussion, and an open invitation is being extended to any man in the community to attend all meetings.

### Hospital Executive Quits In Office Location Row

Continuing evidence of dissatisfaction of personnel at Grossmont Hospital was indicated last week when Miss Katherine Cline, head of the hospital's personnel and public relations departments became a statistic in the record list of former hospital employees.

Louis Peelyon, hospital administrator, said Miss Cline was "terminated" because her attitude was "accusative, incriminating and threatening" in refusing to submit a written resignation or a written statement of her complaints.

Miss Kline's separation followed a complaint last week when Peelyon moved Miss Kline's office from the main lobby to a windowless room on the ground floor.

The lobby office is being converted to a pharmacy, according to Peelyon.

Miss Kline claims she told Peelyon and Claude Dooley, hospital administrator, the new office was not suited to her work because of the noise and confusion in the corridor and in the nearby dietary department. The new office, she says, is across from the men's wash room and the autopsy room.

Peelyon said that he was "shocked and surprised" by Miss Kline's separation. "She had not intimidated any dissatisfaction previously," Peelyon said. "Under the pressure of her complaint concerning the location of her new office, I had no choice but to resolve the issue. She was a good employee and was doing a fine job," he said.

Miss Kline issued a lengthy prepared statement covering the issues involved. She said that prior to discussing her position with Peelyon, she requested that Mr. Dooley be in attendance at the meeting, so that there could be no misunderstandings or misinformation.

In her statement Miss Kline charged that the office changeover was "abruptly and rudely handled". She said additionally that her severe sinus condition would be aggravated because of the windowless room.

Peelyon said that the air in the new office was electronically filtered as it was in all the rooms. He said that Miss Kline had known about the change of office for two years. "She even picked decorations and the color scheme," he said. "It was not a store room, it was designed as an office five years ago."

"I was surprised and shocked about her termination," Peelyon said. The day before it happened I sent her a note of commendation on the work she had been doing.

"Her leaving puts us in a terrific bind. We have 200 people to recruit within the next couple of months to staff the new hospital wing. I certainly wish she had talked over her grievances with me before bringing the affair to a crisis," Peelyon said.

Miss Kline said her alarm over the high personnel turnover (Continued on Page 3)

### Five In Custody On Marijuana Charges

House on Lemon ave., Lemon Grove, was location of marijuana party Saturday night involving two teen-age girls. One had just turned 17 the day before the party. Combined action of undercover agents of state narcotics squad, sheriff's narcotics squad, and La Mesa police, made the raid. The bystanders are unidentified. — McKinley Photo

A Lemon Grove marijuana cigarette butts and drinking party was raided a pipeful of marijuana were found in Lange's house during the raid. He said agents later confiscated three ounces of marijuana and a small marijuana plant from Harper's home on Waite dr.

The men, booked at county jail and later released on \$1,050 each, were to be arraigned later in the week in El Cajon Municipal Court. They are charged with possession of marijuana. The girls were placed in Juvenile Hall.

The men registered as Warren David Harper, 21, a driver-salesman of 7452 Waite dr.; Robert Alvin Lange, 20, a box maker, and Richard Dean Myers, 20, a glazier, both of 7679 Lemon ave., Lemon Grove, where the party was being held.

The girls, one of which lives in Lemon Grove, and the other in La Mesa, both attend school. The Lemon Grove girl attends a business college in downtown San Diego. The La Mesa girl has just turned 17 the day before the party.

The raid was conducted by state narcotics agents, county week is Charles Herman Hurst, sheriff's deputies, and members of the La Mesa police department. He was arrested in a ment following two months of investigation according to Sgt. Bill Robbins of the sheriff's squad. They found a quarter of a pound of bulk marijuana hidden behind the seat of his agent for the state, said several sports car.

### Traffic Safety Council Warns of Travel Danger

The San Diego County Traffic Safety Council this week spotlighted the circumstances that are likely to surround most traffic accidents over the forthcoming Fourth of July holiday:

- 1) The driver will be the chief victim of a fatal holiday traffic accident.
- 2) Most accidents will involve only one car.
- 3) Eight out of 10 deaths will come in rural areas and on high-speed highways.
- 4) Speed will be a factor in 7 out of 10 accidents.
- 5) Drink will figure in nearly half the fatal accidents.
- 6) The accidents will occur most often in the evening.

The Traffic Safety Council based its facts on a serious study of Labor Day traffic deaths which would hold true, presumably, for the Fourth, as well.

"Those are the facts," said David Thompson, executive director of the Traffic Safety Council. "And here are some hints we believe will prove previous figures too grim, and will help prevent Fourth of July traffic fatalities—whether you're taking a three-day break from the routine or beginning a long two-week vacation trip."

1) Make sure your car's in top shape before starting out. Most motorists have a mechanic check their car, paying special attention to cooling systems, tires and brakes.

2) A sweltering-hot car—or a nice, cool one—is no place for a hotheaded driver. Keep cool in traffic, or pull off to the side of the road for a few minutes. Don't let other drivers irritate you into an accident.

3) Don't try to drive too far in a day—about 400 miles or eight hours at the most.

4) Be doubly cautious after dark. Smart drivers reduce their speed at least 10 m.p.h. to compensate for the night-time reduction of vision.

"Above all," said Thompson, "don't get carried away with feelings of independence on Independence Day. Remember—traffic laws are for your protection."

### School District Gets New Funds

The La Mesa-Spring Valley School Dist. has been awarded the sum of \$115,161 for school operating funds pursuant to Public Law 874, according to a recent report from Congressman James B. Utt (R-28th Dist.).

Schools which are heavily burdened by the impact of federal installations in their area are eligible for financial assistance under this public law. The amount certified for payment is determined from the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application.

The total entitlement for the school district for fiscal year 1960 has been set at \$153,548 of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance.

The flag shown above, in the Smithsonian Institution in Washington, D.C., is the original "star spangled banner," that flew above Fort McHenry, Baltimore during a night-long bombardment by the British fleet in September, 1814. Francis Scott Key was so moved by the sight of it waving after the bombardment that he wrote the song that became our national anthem, "The Star Spangled Banner."

## Star-Light Opens Fifteenth Season

Star-light will open its fifteenth season of outdoor musicals in Balboa Park Bowl June 30 with the revival of one of its greatest successes, "Kismet". As in 1956, this musical Arabian night will star John Powell as Hajj, the beggar poet. Joy Cannon will again play Lalume, who bewitches him with Rahadlakum and other delights of Baghdad. Other members of the former cast appearing in "Kismet" will be Charlie Cannon, F. Allan Richardson, Bobby Finch, Bud Holland, John Marron, and Joanne Regenhardt.

## Masonry Contest Offers Prizes To Homeowners

A summer-long contest for home improvements in outdoor living areas, dubbed "Sun and Moon Spot" home improvement contest will run through August 30, according to Bruce Hazard, president of the sponsoring firm, Hazard Products, Inc.

The contest is open to any resident of San Diego County. Homeowners may enter any improvement using masonry products they have made in their yard or patio area during the period of the contest.

Hazard said homeowners will be asked to submit a photograph of their improvement for the preliminary judging.

Entry photographs for the first of three preliminary contests were to be postmarked not later than midnight, May 31, with second and third contest deadlines set for midnight June 30 and July 31. The sweepstakes contest will be held from August 1 thru August 30, with entry deadlines set for midnight August 30.

Top prizes in each contest will be \$200 in cash. The August Sweepstakes, in which previous entries are automatically eligible to compete, will offer a \$400 grand prize. There are also many runner-up prizes, all in cash.

He added that entry blanks have been distributed throughout San Diego County. They are available at Hazard Center, Cabrillo Freeway and Friars Road, through the Hazard center in El Cajon, or through any Hazard dealer or contractor.

## 'Bells Are Ringing' Rated Tops With Holliday and Martin

Metro-Goldwyn-Mayer's presentation of the Arthur Freed musical, "Bells Are Ringing," is the merger of Broadway and Hollywood at its best and brings together for the first time two popular stars—Judy Holliday and Dean Martin.

Miss Holliday has the prestige of an Academy Award, and as Ella Peterson in "Bells" she gives a performance that has warmed audiences for more than three years.

With her is Dean Martin who has emerged as one of the screen's most talented performers, both in serious roles as well as comedy. And as the bachelor in the life of a telephone belle, he is back in dancing form, singing and romancing with his own colorful style.

The Broadway show of "Bells Are Ringing," with book and lyrics by Betty Comden and Adolph Green, and Jule Styne's music, opened at the Shubert Theatre, November 29, 1956 and playing through 1956, touring with matching success for another six months.

As a motion picture musical in C-Scope and color it features the directing of Academy Award winner Vincente (Gigi) Minnelli with music by Andre Previn. It is a fun movie that is a 'must' on your viewing list.—B.T.

## The DIMMER VIEW

(Continued)

Assembly last week, a number of Legislators were shocked at the strength of the movement, and the frankness of the witnesses," he said.

They told the Legislators that county government was old fashioned, hopelessly inefficient, and one witness compared it to an ox-cart. They wanted the Committee to recommend changing the rules so that nearly all county officers would be appointed.

Hegland said there obviously will be an attempt at the next session of Legislature to change the law so that assessors, county clerks, recorders, treasurers, tax collectors, sheriffs, coroners and public administrators will become appointive.

Already underway, he says, is an effort to abolish separate districts such as local fire, recreation, hospital, water, etc. districts as a step toward taking control away from local voters and giving it to higher agencies.

All of this is aimed at depositing control with appointed boards and administrators — elected by no one and responsible to no one.

Most taxpayers are being amazed by the high-handed attacks the welfare people in Sacramento are making on the people of San Diego.

The State Welfare Department is, in effect, asking that we give up the last vestiges of our Constitutional Rights by preventing our duly elected judges from prosecuting bums confessing to stealing welfare funds through the Aid To Needy Children.

Already given up is your right to know. The determined Welfare Department is protected by a veil of secrecy which denies the press, or individual members of the taxpaying public, from knowing on whom your tax dollars are spent, or for what.

State Welfare has been in a tizzy because Municipal Judge Huntington A. Bledsoe of San Diego ordered some parents to "go to work and support your children." Welfare charged Judge Bledsoe with "invasion of administrative (of Welfare responsibilities."

Judge Bledsoe had developed a splendid record for taking bums from the public trough when they admitted their guilt in failing to provide for their children.

Judge Bledsoe, under attack from the Welfare Department, apparently for his antisocialism actions, responded strongly. He said Welfare doesn't want parents to work and support their children, even when they are capable and qualified because it would be "contrary to (the Welfare Department's) social planning."

The Aid to Needy Children program, administered by Welfare, is a good program. Yet, the program, and all those connected with it is going to be hurt by the laws giving secrecy to the department's activities.

There are simply too many known abuses occurring under the wing of state and county welfare to let Welfare go unanswered!

Judge Bledsoe is to be commended for putting some of the bums to work on pain of going to jail or suffering a fine if they fail to support their children.

Judge Bledsoe steps down July 1 from the presiding judge position he holds in Municipal Courts. He says the Welfare attacks on him will intimidate every judge who follows because none wants to be liable to the vilification he has suffered through the Department's charges that he is unfair, biased and unjust. His record certainly does not justify the brazen attack.

We urge you to write your assemblyman demanding laws to take the secrecy out of welfare or other departments which have a tremendously powerful control over your freedom and your money.

Laws against administrators instead of citizens are needed to stem the headlong plunge into socialism.

A sad, but fond, farewell was said earlier this week to the Rev. Mr. Donald B. Cooke, pastor of the Lemon Grove Methodist church. He was called to a much larger job at the North Long Beach Methodist church and its congregation of 1,200, leaving behind 400 members of the Lemon Grove church.

It is not unusual for the congregation to learn to love the man who had administered to them, but Rev. Cooke earned the respect and admiration of those outside his congregation as well. He attracted attention by his level-headed approach to many of the problems harassing Lemon Grove and Spring Valley. Because these communities have no claim of local government, many of the problems were voiced at public meetings. In these, Rev. Cooke took part. He was heard as well as seen. Often, public meetings generate more heat than knowledge, but when he was there he loaned to the proceedings a certain sound and rational sense of direction.

His primary job here, of course, was administering to his congregation, a job he did well. But the effect his presence here had on those outside his flock will long be remembered. As director of the Pastoral Counseling Association he brought aid and comfort to many saddened and broken homes. As an active member of the Coordinating Council he helped bring a recreation district to an election.

When he left earlier this week he had not won our private and friendly argument pertaining to hymn singing at his church on Sunday.

We couldn't convince him that a single verse or word should be left unsung in any given hymn on Sunday in the interest of time. Nor had he convinced us that we should accept his invitation to try singing in the choir to better judge the benefits derived from singing all of the hymn... verse for verse and stanza for stanza.

For his sincerity, his ability, his sense of humor and his sense of right, our community is a much better community for the years we had Rev. Donald B. Cooke.

## Hospital Executive Quits In Office Location Row

(Continued)

over rate at Grossmont contributed to her belief that the location and atmosphere of the personnel office was important. She said Grossmont had a personnel turnover rate of 77 per cent. Chula Vista, a comparable sized facility but with a more transient type population, had a 59 per cent turnover.

"There is considerable profanity in the corridor by hospital personnel. That isn't a good atmosphere for interviewing prospective employees," she said.

Miss Kline's prepared statement read: "I could not believe that our administrator was serious about moving the public relations and personnel office from a small but adequate room."

"Therefore, the following morning I asked for a conference with Mr. Peelyon and Mr. corner at the rear lobby entrance of the first floor into an unventilated, windowless basement room directly across from the autopsy room and men's washroom, adjacent to the working kitchen and dishwashing machine area, and in a general service area which of necessity is noisy.

"When this move was abruptly made on Tuesday, while I was extremely busy handling requests for accident reports and public information matters of immediate concern to the hospital, I felt that the important thing was to get my work done and make the best of it.

"However, working for the first time in this basement room without windows and without air moving, I realize that the added difficulties were making my work load almost unbearable. When I would open the door into the hall to get air, additional problems became apparent—noisy chatter necessary to the operation of a busy size that you did not."

hospital kitchen made it well nigh impossible to hear voices of telephone callers; shouts of hurrying service employees in the hall added to the din; the door of the lighted autopsy room stood open while in use, little air circulation being a problem there as in my office.

"Late that afternoon as I was interviewing a prospective applicant for a job, the loud complaint filtered as it was in all the complaints of a disgruntled employee leaving the time clock around the corner sounded clearly through to the applicant and me. This helped prove the point of why I had not been able to believe that hospital administration was serious in its intention that such a room should be used for public relations and personnel work.

"Therefore, the following morning I asked for a conference with Mr. Peelyon and Mr. corner at the rear lobby entrance of the first floor into an unventilated, windowless basement room directly across from the autopsy room and men's washroom, adjacent to the working kitchen and dishwashing machine area, and in a general service area which of necessity is noisy.

"When this move was abruptly made on Tuesday, while I was extremely busy handling requests for accident reports and public information matters of immediate concern to the hospital, I felt that the important thing was to get my work done and make the best of it.

"When I recited the instance of an applicant hearing the complaints of a hospital employee, Mr. Dooley abruptly said, 'We don't care what new employees think.'

"I turned and answered, 'You should care what employees think.'

"This was the only instance in our discussion which could have been interpreted by Mr. Peelyon in his written statement that 'Miss Kline's attitude is accusing, incriminating and threatening.'

"Such an attitude is entirely foreign to my nature, as those associated with me in my two years of work at the hospital will bear out. I regret deeply this sudden severance with Grossmont Hospital merely over a problem related to working space."

## Achievement Tests Show High Results

(Continued)

to compare the sophomore scores with the senior scores, and see how much progress has been made. Warburton said the results in this comparison are encouraging. Sophomore scores at all the schools are used to show weaknesses in the program. Then, efforts are concentrated on strengthening instruction where improvement is needed.

The tests, taken two days each spring, are divided into nine sections, each testing a different area of the student's achievement. Test number one is on understanding of history, geography, and economics. Test number two is on natural science. Test three is in Eng-

lish usage and grammar, and test four is on math. There are a general vocabulary test, a series of tests in interpretation of reading materials in social studies and literature, and a test on how to use the library.

Warburton pointed out that District students rank well on the natural science test, have improved in math, and show consistent weakness in use of English. Attempts to improve the English program were begun two years ago by increasing the written work required. Heavy class loads of English teachers were described as being a major factor in the deficiencies in achievement of students in this subject area.

The Iowa test is a product of Science Research Associates and has been in use in the Grossmont district for many years. Use of such a test is part of a continuous effort to

## Joint Funeral Services Held For SV Family

Joint funeral services for Mrs. Dorothea E. Lovstad, 42, and two of her children, Peggy Ann, 14 and James Kenneth Jr., 13, were held Saturday at the Humphrey Chula Vista Mortuary. Burial was in Glen Abbey Memorial Park. The three died in a three-way accident, involving two cars and a truck, near Chula Vista, last week. Two other Lovstad children were critically injured in the accident; Jean, twin of James, and Andrew, 11.

The Lovstads live at 9600 Lamar st., Spring Valley. Mrs. Lovstad was a part-time clerk in the Bank of America at Chula Vista. Her husband James, is a civilian fireman at Camp Elliott. The Lovstads have been in Spring Valley about a year, coming from Chula Vista.

Besides the father and the two injured children, survivors include a brother of Mrs. Lovstad, her father, Charles Campbell of Chula Vista, and the paternal grandparents.

## Mission Board

## Member to Speak

Dr. Elias Den Arend, field evangelist, American Board of Missions to the Jews, Inc., will be guest speaker at the Baptist Church of Spring Valley, Sunday through Wednesday, at the 8 a.m. and 11 a.m. services, Sunday, his topic will be "Lord, teach us to Pray." At the 7:30 p.m. services, Dr. Arend will speak on "Forgive Them." At the Monday, 7:30 p.m. services, he will speak on "Christ and the People of

Dr. Elias Arend

Israel." His Tuesday, 7:30 p.m. text will be "Christ the Priest." And his final text, at the Wednesday, 7:30 p.m. services, will be "Christ the King."

Dr. Arend was born in Holland, and steeped in Judaism from childhood. He became a Christian in 1940 when he was called to serve in the Dutch Army. Five days after entering the war, Holland capitulated and Dr. Arend joined the Dutch Underground. He then took a big part in training of saboteurs, many of which had been connected with Christian work. He has a long list of activities during those war years.

After he and his family escaped from Europe, they came to America. It was then he found the headquarters of the American Board of Missions to the Jews in New York. Since he became a Christian, he has done missionary work, preaching in many parts of the United States.

The Vacation Bible School program of the First Baptist Church of Spring Valley, will be held Thursday at 7:30 p.m. Rev. Roland Taylor invites all parents and friends to attend and see the handicrafts on display by the various departments.

The Sunday School picnic of the church has been set for July 9 at Flinn Springs.

## Church School Program Set

Commencement exercises for the Bancroft Church Vacation Bible School, will be held Sunday at 8 p.m., in the church. Rev. Lewis Ginn invites all parents to attend and to see the fine handwork done by the pupils.

The new addition to the church is coming along at a good rate, Rev. Ginn reports.

A farewell social for the Gordon Clark family of 9051 Bird st. was given in the church last week. The Clarks are moving to Eastland, Tex.

## C. de O. Church Graduates 200

The annual Vacation Bible School of the Casa de Oro Baptist Church closed Friday. Over 200 children attended each day. The "Feast Squaws" for the "Indian Pow-Wow" were commended for their serving of refreshments. The children cooperated by bringing many gifts to fill the canoe in the foyer of the church. The gifts are to be presented to the Chippewa and Navajo Indians through the American Baptist missionaries.

The summer youth program at the church was June 26. Theme this year is "Have Bible Will Travel... Have Bible Will Stop." The meetings will continue through the summer each Sunday at 8 p.m., right after the evening service. There will be refreshments, fellowship, singing and Bible study.

The men of the church are scheduled to teach at these evening sessions. A special film will be shown Friday night. All college-age, high school and junior high school-age youth are invited, says Rev. Ernest Anderson. Various awards will be given.

## Jehovah Witnesses

## to Hold Convention

## at Wrigley Field

"Final plans are being developed for one of the largest Christian gatherings of the year at Wrigley Field, Los Angeles, July 7-10, 1960," Mr. Carl E. Jones, presiding minister of the Lemon Grove congregation of Jehovah's Witnesses stated last night. The event is the "Peace-Pursuing District Assembly of Jehovah's Witnesses and it is expected that 30,000 will attend.

Mr. Jones further revealed that Bruce E. Giffin, district minister for Jehovah's Witnesses in southwest United States, will be the featured speaker of the event. Giffin is well-known in this section, having addressed large crowds in his vicinity during recent years.

According to Jones, the purpose of the assembly is to assist Jehovah's Witnesses to become more efficient in the ministry, and to show how Bible principles and teachings can be applied in one's daily life.

## Water Main Breaks: Gives 'Free Bath'

The home of Mr. and Mrs. Jerry Meneley, 8871 Troy st., Spring Valley, got a "free bath" June 22, when a six inch water main in front of the house burst. The water shot up about 75 feet into the air. The Meneley family was in Los Angeles at the time. Mrs. Meneley said later that the water did not get in the house, but the lawn and flowers got a good soaking.

Two neighbors of the Meneleys, Mrs. Sally Miller, 8877

Troy and Mrs. Marion Carroll, 875 Troy, were in their yards taking trenches to keep the water from coming in their kitchen doors.

Frank Dell, superintendent of the Helix Irrigation Dist., said the same water pipe has burst about six times in the past 18 months. The contract has been let to replace that line and others in the Spring Valley area, some of it having been put in during the '20s.

Through the years we have always sought to do everything possible to lighten the burden that funeral responsibilities impose

## Trailer Park Law Still is Delayed At County Level

County control of trailer parks seemed no nearer last week after six years of effort to draw up an ordinance acceptable to people in the business and to county officials.

Dr. J. B. Askew, the county's health officer, reported Tuesday afternoon to the County Board of Supervisors on efforts to prepare an ordinance controlling trailer park operations. He told the Board the project had been undertaken in November, 1958, at Board instruction.

Previous efforts for control had started in 1954, Askew declared. He told the Board that the following from the trailer industry had helped prepare a draft for control: John Binkins, Henrietta Gaston, Charles H. McCutcheon, William A. Scroggs, Herbert Terfinger and Elwood A. Titcomb.

Binkins said he was not satisfied with all the provisions **FARMING TAKES WATER** Each irrigated acre in California uses more than 750,000 gallons of water every year, says the Water Facts Library. Greatly stepped-up water development is needed to maintain California's leading place in agriculture throughout the United States, the Library warns.

Mr. and Mrs. Martin Marugg cut their wedding cake.

### Donahoo-Marugg Vows Recited in Ceremony

Baskets of white gladioli and white candles in the candelabra decorated the altar for the wedding of Joanne Idella Donahoo to Martin Marugg Jr., June 11 at the Community Congregational Church. Dr. Everett L. Sorensen officiated over the double ring ceremony.

The bride, daughter of Mr. and Mrs. James Loren Donahoo, 5889 Cumberland st. of Paradise Hills, was given away by her father. Her imported French Chantilly lace gown was designed by Mrs. Edwin Karas. Embroidered with iridescent sequins and seed pearls, it had a chapel length train. Her crown was of seed pearls and Chantilly lace held the fingertip illusion veil. Her white prayer book was covered with white stephanotis and orchid.

Mrs. Thomas C. Atkinson was matron of honor. Bridesmaids were Miss Pattie DeForest and Miss Sandra Clempson. Miss Virginia Miller was flower girl, and ring bearer was Mark Bourdette.

The bridegroom, son of Mrs. Clara Brewer of 9020 Christiana st., Spring Valley, had as his best man his brother, Ernest L. Marugg. Ushers were Ronald Donahoo, brother of the bride, Bruce Ertle, Berch Ertle, and Leon Ertle.

Following the wedding ceremony, a reception was held in the Church lounge for 250 guests.

### Library Forms Reading Club

The Summer Reading Club at the Lemon Grove branch of the San Diego County Library will be available for registration Saturday, June 26, and continue to Saturday, September 24, when the certificates earned will be awarded.

Two groups are being formed. "The Bennie Book Worm Club" is for the first through fourth grade children and the award will be made for any of the books read this summer. "The Smokey Bear Club" is for the fifth through eighth grade young people, and books must be chosen from two categories: five books on nature, or other branches of science, and five books on travel, for which one review must be written. Besides the Smokey Bear Certificate for this older group, the reviews may be expanded after September 27 to meet the requirements for the year round Reading Certificate awarded by Miss Frances Hahn, county librarian.

The Lemon Grove librarians in charge of the Reading Club are Mrs. Ruth Pedler, Mrs. Jean Cooley, and Mrs. Eddie Walker.

### Local Women Attend Committee Meeting

Mrs. R. Bradfield, Casa de Oro Women's Club, Mrs. R. Branyan, chairman of the Spring Valley-Lemon Grove-La Mesa area Red Cross, and Mrs. J. McLaughlin, vice-chairman of the Lemon Grove Red Cross, attended the county coordination committee meeting held at an Diego County chapter of the American National Red Cross at Chapter Headquarters on June 23. The meeting was conducted by R. B. James, retiring county coordinator.

Limitations on the number of flowers to be used by amateur arrangers also have been removed, Mrs. Bishop said.

### 'Story of Ruth' Aids Drive For Better Movies

Hot on the heels of the March meeting for better movies in the area held at the El Cajon Junior High School by TAs, the clergy, and others, comes a new movie, which should at least partly solve the problem. The picture, "The Story of Ruth", taken from the Old Testament's Book of Ruth, tells one of the best love stories in the Bible.

"The Story of Ruth" introduces a new star to the movie business, Elene Eden, who takes the part of Ruth, and from her acting ability is destined to go far in her chosen career.

Other stars are Stuart Whitman, who takes the part of Boaz, Tom Tryon, taking the part of Mahlon, Peggy Wood, is Naomi (she played the lead in the recent "Mama", from "I Remember Mama", for many months), Viveca Lindfors as Elilath, Jeff Morrow as Tob, Thayer David as Hedek, Les Tremayne (of stage and radio fame) as Elimelech, Eduard Franz as Jehoam, Leo Fuchs as Sochin, Lili Valenty as Kera, John Gabriel as Chilion, Ziva Rodann as Orpah, Basil Ruys lael as Shamma, John Banner is the King of Moab, Adeline Pedroza as Iduma, Daphna Elnorn as Tephah, and there are hundreds of "extras."

"The Story of Ruth", which had its pre-view showing for the press and others at the Loma Theatre June 24, is produced under the guidance of Samuel G. Engle, who also produced "A Man Called Peter" and "Come to the Stable." It will open officially July 17 at the Fox Theatre, 7th and B sts., San Diego.

E. R. Franke, manager of Fox Theatre, says there are three plans whereby organizations may have a fund-raising project through the showing of "The Story of Ruth." Further details may be had by calling Franke at the Fox Theatre, BE 3-6331.

The East County Movie committee, which has met each month since March, for better movies, has elected Mrs. Juanita Leaf of El Cajon, as chairman for six months, beginning in September. Howard Neff, principal of La Mesa Junior High School, has been named chairman of viewers and exhibitors; and Rev. G. H. Hoffman, pastor of St. Luke's Lutheran Church, La Mesa, as chairman of the producers and directors subcommittee.

### Red Cross Chairman Holds Coffee Brunch

Mrs. Russell Branyan, vice chairman of the American Red Cross for the Spring Valley area, was hostess last week at a coffee brunch given in honor of Mrs. Dennis McLaughlin, vice chairman for the Lemon Grove area. Thirty of the Red Cross volunteers attended at the Lemon Grove Woman's Clubhouse including all the workers of the Red Cross production group, which meets every Monday morning at the clubhouse.

Notable guests were Mrs. Robert Ball, president of the Lemon Grove Woman's Club; Mrs. O. R. Patterson and Mrs. A. P. Schnell, representing the Drifter's Club, and Mrs. Beatrice Morse, chairman of the Red Cross for the Lemon Grove Woman's Club.

Mrs. Russell Robertson was co-hostess.

WOMAN'S CLUB—Mrs. Ray (Marguerite) Isles of 3322 San Carlos Dr., Spring Valley, above right, was installed as the new president of the Casa de Oro Woman's Club in an impressive ceremony June 15, in the King's Inn, Mission Valley. Guest installing officer was Mrs. Eleanor McJunkins, a past president of the Spring Valley Lionesses. Outgoing president was Mrs. Joan Anderson, left. Other officers installed were: Mrs. Lou Hines, vice president; Mrs. Beryl Ames, secretary; Mrs. Irene Slater, assistant secretary (and telephone chairman); Mrs. Doris Arnold, treasurer; and Mrs. Dorothy Bradfield, assistant treasurer. —Staff Photo.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Clarence W. Quist of Lemon Grove announce the engagement of their daughter, Shirlene Blanche (above), to Fredric Paul Sutherland, son of Mr. and Mrs. Arthur V. Sutherland of La Mesa. A late summer wedding is planned in the First Methodist Church of La Mesa. Miss Quist was graduated from San Diego State College this past month where she was affiliated with Alpha Chi Omega and Angel Flight. Mr. Sutherland is also a graduate of San Diego State. He is a member of Sigma Alpha Epsilon and played short stop on the college baseball team which won the state championship in May. The couple will reside in San Diego. The bride-to-be will return to San Diego State to get a secondary teaching credential and Mr. Sutherland is employed with the Bank of America. —Tappy Photo.

Officers of the newly formed College Grove Merchants Association, selected last week at an organization meeting held at Mission Valley Inn, are shown above (left to right): Vice President Joe Ellis, Secretary Paul Bishop,

President John W. Adlon, Vice President Arnold Klarman, and Treasurer George Rye. Vice President Sam Kalmans was not present.

## College Grove Merchants Elect First Officers

John W. Adlon, vice president of Walker Scott Company and general manager of the College Grove store, was elected president of the new College Grove Merchants Association at an all-day organization meeting held Friday.

The meeting was attended by representatives of the 65 individual stores, shops and restaurants, comprising College Grove, San Diego County's first regional shopping center, located at College Avenue and State Highway 94 at the edge of Lemon Grove.

Three vice presidents were elected, including Sam Kalmans of Bond Clothing, Joe Ellis of Ellis Men's Store, and Arnold Klarman of Gallenkamp's Stores. Paul Bishop of Bishop's Store, San Diego County's first regional shopping center, located at College Avenue and State Highway 94 at the edge of Lemon Grove, was chosen secretary, and George Rye of Central Federal was named treasurer.

Also serving on the association's initial 15-man board of directors are Lester Himmel of Himmel's Camera Shop, G. C. Kish of Lawson-Schiller Jewelry Company, F. M. Stratton of Long's Drugs, Bill Morgan of Morgan's Appliance Service and Hobbycraft, J. A. Paget of J. J. Newberry, Tom Rykowski of J. C. Penny, Gene Mellon of Safeway, Ed Gentner of F. W. Woolworth, and M. L. Blum of College Grove Associates.

Association President Adlon joined the Walker Scott Company in February 1959 as vice president and general manager of Stevenson's, a division of Walker Scott Company, La Jolla. He has had wide experience in retail merchandising.

Following a luncheon, buses carried association members to College Grove for a brief tour of the center, now entering its final stages of completion.

During the afternoon program, Mervin L. Blum, general manager, recounted the first at College Grove. Robert S. Betten of Shopping Center Consultants, Chicago, gave an illustrated talk on shopping center promotion, while Reg Jones, College Grove advertising di-

rector, discussed the promotion program.

Michael C. Birnkrant, principal owner of the Center, and George A. Scott, whose new Walker Scott store is largest in the College Grove complex, also addressed Association members.

While the grand opening of College Grove Center is scheduled for August 25, the Walker Scott store and several other stores are slated to open on July 28, Blum said.

Offering metropolitan shopping features, the huge Center has a total floor area of 650,000 square feet, representing a total investment of \$28 million. It is the 37th regional shopping center in the country.

The Center, with its multi-level design, offers many innovations, such as moving sidewalks, outdoor escalators, subterranean "truck tunnel", and helicopter service. There will be a supervised child nursery and parking for 7,000 cars, Blum added.

John Graham and Company of New York and Seattle was architect for College Grove, while leasing agent is the Phillip Lyon Company of Los Angeles and San Diego.

## Investors Mutual Declares Dividend

The Board of Directors of Investors Mutual, Inc., largest mutual fund affiliate of Investors Diversified Services, Inc., has declared a quarterly dividend of 9½ cents per share, payable June 24, 1960 to shareholders of record at the close of business June 23, 1960. The dividend will be distributed out of the Fund's undistributed net investment income, derived from dividend and interest income. This is the 79th consecutive dividend paid by the Fund. Investors Mutual, Inc. currently has approximately 145,560,913 shares outstanding.

## El Capitan High Accredited by Calif. University

Russell Savage, principal of El Capitan High School, has announced that El Capitan High has been accredited by the Board of Admissions and Relations with Schools of the University of California. Graduates of the school this year are eligible for admission to any branch of the University.

Application for such an accredited status was submitted early in the first year of the new school and required such information as the college preparatory courses offered, the number of students enrolled in each college prep class, and the qualifications of teachers working on the program. Mrs. Katharine Walker, assistant director of the Board of Admissions and Relations with Schools, visited the campus of the new school in the spring.

The accreditation of El Capitan High also means that its name will be listed in the University's bulletin which names all public and private high schools in California from which seniors are eligible for admission.

## 'Y' Camp Sessions Now Under Way

Four sessions of the Heartland YMCA Day Camp will be held this summer at Filma Springs starting with the one being held presently.

The present one runs through July 8. Others are July 11-22; July 25-August 25, and August 8-19.

Hiking, archery, swimming lessons, bb gun safety, crafts, and educational and fun trips are scheduled.

Arrangements for attending the camp can be made by calling YMCA Heartland office Hopkins 3-3234.

## Chamber Studies Light District

Recommendation that the Lemon Grove Chamber of Commerce should sponsor a street lighting district was made at a special meeting this week by Helen Moulton, chamber manager.

Miss Moulton said that a similar district was formed in El Cajon when she was chamber manager there.

The committee took no action other than to agree to ask the San Diego Gas and Electric Co., to provide an estimate of costs, later this week.

A discussion on sponsoring another incorporation move failed to get off the ground at all.

## Water Board Zoning Action Sets Budget for 1960-61

The Helix Irrigation District Board of Directors approved a \$3,748,278 operating budget for the 1960-61 fiscal year at Tuesday's meeting.

The 1960-61 assessment and tax rate will be determined on July 5th when the Directors meet as a Board of Equalization. General District tax rates have decreased during the last three years to 80c per \$100 valuation in 1959-60.

The budget anticipates operating receipts of \$2,649,485, which, along with \$1,146,000 in funds available as of June 30, 1960, will provide \$3,795,485 during the year for operations and reserve. The largest single item in the budget is \$1,747,193 for construction, including the replacement of 24,000 feet of inadequate or outdated pipelines and \$879,000 to be spent toward construction of a dam and reservoir east of Lakeside.

The dam will be of earth fill construction and the resulting reservoir will hold approximately 10,500 acre feet of surplus local or imported water for emergency and balancing storage. Cost of construction of the dam has been estimated at 2½ million dollars, most of which will be borrowed on a short term loan. It is expected the loan will be repaid out of revenue.

The budget figures do not include funds obtained through the levy of assessments as these funds are used to retire principal and interest on District Bonds only.

## Zoning Action Postponed

Action on zoning for 125 acres in Spring Valley, an unzoned island in the area, was put off for two months at Friday's session of the County Planning Commission to await information on the freeway route.

The proposed Beltline Freeway is to run through the area, and commissioners agreed planning for the land could be better done when they know the definite route of the road. They said that business zoning should be determined by the freeway.

A zone plan for the area has been submitted by the Spring Valley Chamber of Commerce. Dr. Willis H. Miller, county planning director, said the chamber suggestions were close to one of the county's alternate plans for the land.

## Smoke Bomb Tossed In Local Saloon

Lemon Grove firemen were called to Mother's saloon 7268 Broadway at 1:30 a.m. Saturday when unidentified revelers tossed three smoke bombs into the establishment.

There was no fire but it drove most of the habitués of the saloon out into the open. During the reporting period the fire department was called to extinguish three grass fires and four auto fires.

No damage resulted from the grass fires. Largest single damage to auto fires was \$50, according to Capt. Mark Foote.

## Final Assembly Sees Presentation Of Student Awards

The final assembly of students at the Spring Valley Junior High School was highlighted by the presentation of several special awards. Principal Keith Dolan "started the ball rolling" by presenting two awards, one to Pat Shipstead and the other to Jody Baumgaertel, for their services as presidents of the ASB.

Other awards were: Art awards to Stephanie Gure of the 7th grade; and 8th graders Brian Cheney, Gary Dobbs, Gary Simon, Gene Bryson and Al Posella.

Sharon Anderson (7-17) was presented a nurse's award by Mrs. Henrietta Ilwee, school nurse.

The journalism award went to Linda Parrish; the industrial arts award to Larry Martinson. Service club pins were presented to all students who had been in three or four events this year.

Spelling bee awards went to Cheri Meade and Betsy Walsh of the 8th grade; and Bruce Harris and Jim Phelps of the 7th grade.

Music awards went to Christie Virtura, Mark Montoya, Adam Lewis and John Adams. Golf awards: Steve Glasson, first place; Tommy Tucker, second place; and Susan Webster, third place. Tommy Tucker received an award for his "hole-in-one."

Bowling awards went to Gene Engle, Tom Cloyes, Rick Pedigo, Gary Carmichael, Joe Mayo, Denny Huska, Bob Adams and Mike Howard.

## Voters Eligible To Register

## Scout News

Bill Bates, Cubmaster for Pack 325, sponsored by the First Baptist Church of Spring Valley, was presented the new charter for 1960-61, by the Institutional representative, Howard Thomas, at a picnic Sunday in Felicita Park, near Escondido. Bates was also presented (for the Pack) a plaque for outstanding activities during the past year, and a special award for 100 per cent subscription to Boys Life.

The following awards were presented to Cubs: Bobby Applegate, Wolf badge, one silver and one gold arrow; Joe Fryberger, Wolf badge; Wayne Harvey, Wolf badge; Allen Clark, one year pin; James Fetters, Lion badge and Webelos patch; William Kirkman, Webelos patch; Kenneth Scott, Bear badge; Tommy Roth, a new Cub, the Bobcat pin; and two Cubs who graduated into the Scout Troop (and welcomed by Scoutmaster Roy Cones), Warren Harvey and Frank Gilbert, received their Webelos bars.

The following Den Mothers who were "graduated" from the Cub Scout activities received "Thank You" pins: Betty Cones, Jan Wolg, Caroline Powers, Murita Clark and Flo Kirkman.

Two Intermediate Girl Scout Troops, 919 and 1590, from the Spring Valley area, held a joint campout June 17-18 at Camp Paso Pico in Cuyamaca Rancho State Park, with 22 girls and five adults attending. Enjoying the out-of-doors was the order of the day. The

## Local Man In Soft-Water Cleanup Program

SACRAMENTO (Spec): — State Consumer Counsel Helen Nelson joined the Pacific Water Conditioning Association in a move to help protect the public from fraudulent sales of water softeners. Attention was focused on the practice misleading buyers into believing that by means of referrals of his friends' names, his water softener can be obtained free.

A Lemon Grove man, Virgil A. Stevens, operator of Culligan Soft Water Service of Lemon Grove, 3515 Olive st., president of the Association, led the group in adopting a resolution opposing referral sales.

## Public Hearing Set on Shift Of School Area

A public hearing on a petition to take land away from the La Mesa-Spring Valley School District and add it to the Cajon Valley Union School District was ordered Tuesday by the County Board of Supervisors.

The action was taken at the request of Dr. Cecil Hardesty, county superintendent of schools. He told Supervisors that the area, between El Cajon boulevard and Fletcher parkway, in the vicinity of Marshall avenue, is a kind of "no man's land" that belongs in the Cajon Valley district by reasons of topography.

The petition for the boundary change, Hardesty said, was signed by 17 property owners, or 100 per cent of the peoples in the area.

## High School Board Goes Economy Route

Grossmont high school district trustees decided Monday to push a policy of reduced spending on senior prom activities.

Superintendent Lewis Smith said that costs had gotten to as much as \$50 for the single event.

The board rejected a suggestion that the class ring tradition stop, but they set a limit of \$10 for the cost of such rings.

Board members Robert Brown and C. H. Foster, leading an economy drive, opposed adding three additional custodians, 21 additions to regular personnel, and one addition to the Adult Education Department but their employment was approved by a three-to-two vote.

August 1 was set as budget hearing date, but a preliminary budget will be approved for publication at the meeting Monday night.

huge oak trees, quoted as the largest in the United States, held the group spell-bound. Looking for Indian grinding holes and exploring the camp grounds served a purpose for the hikers. Shy deer in the meadows, dotted still with a scattering of wild flowers, mosquitoes that swarmed and nibbled at tender arms, were good examples of Mother Na-

ture's work. The mosquito incident brought home a good lesson to all... to be sure and wear long sleeved blouses and jeans on these hikes.

The "Hobo" stew was a new delicacy to some of the girls and leaders. But it was consumed in large quantities. There was a campfire program of charades and skits and many songs, followed by a popcorn

## AUTO CLUB MOTORLOG

# Citrus Empire Provides Delightful, Scenic Drive

(The following motorlog is one of a series prepared by the Automobile Club of Southern California)

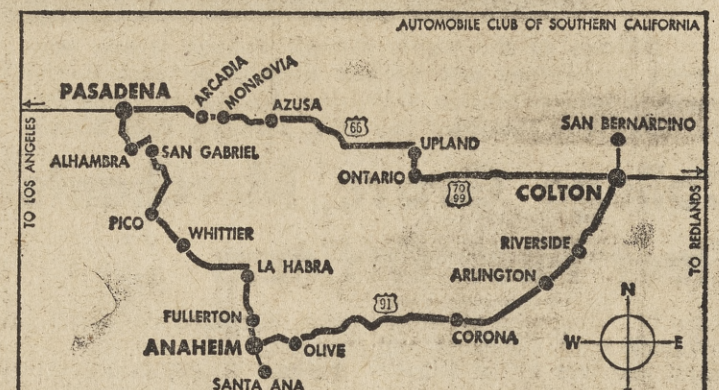

Fanning out from below the sunset slope of the San Gabriel Range are far-flung vistas of orange groves, highways with serrated ranks of shady trees and cities steeped in historic romance. This happy creation, born of Man and Nature, is known as California's Citrus Empire—and for an afternoon of scenic motoring, there are few places in the Southland that can compare with its quiet beauty.

This trip, however, is not only a pleasure to be enjoyed from the automobile window, for enroute to the citrus country are many historical and cultural landmarks that warrant a closer look.

For example, in Pasadena, our starting point, one might take a tour around the Rose Bowl, a visit to the world-famed Huntington Library, the California Institute of Technology or a cruise down stately Orange Grove Avenue.

South of Monrovia marks the start of the citrus region and grove scenes, which are visible from the highway during most of the trip. Proceeding east on US 66, the route passes through picturesque, tree-lined Euclid Avenue in Upland. In the divided section of this artery, north of Foothill Boulevard, is the Pioneer Mother Statue, one of a chain of monuments dedicated to the pioneer mother.

Turning south at Colton, on US 91, we come to Riverside, one of the Southland's most beautiful and historic communities. A most popular showplace of the city is the block-square Glenwood Mission Inn, with its Spanish Cloisters, Courts of Birds and Bells. Inside are collections of art objects and pioneer relics.

Continuing the "circle" drive, one next comes to Corona, site of the old Corona road races in which Barney Oldfield, Ralph De Palma and other greats of that era competed. Just west of Corona is the Prado Dam which stores the flood waters of the Santa Ana River.

On the last leg of the citrus belt drive from Corona west, the route passes through Anaheim—site of fabulous Disneyland—Fullerton, La Habra and Whittier.

A final stop that may be made for sight-seeing purposes is at San Gabriel Mission, which is adjoined by the Mission Playhouse.

The total mileage of this entire journey from Pasadena is only 125 miles.

ORANGE GROVES—In heart of citrus belt, groves are visible from the highway during most of the trip. The Citrus Empire trip also rewards motorists with galaxy of other scenic sights.

RIVERSIDE—One of city's famous landmarks is Mission Inn, marked by Spanish Cloisters, Courts of Birds and bells.

## Supervisors Adopt County Budget of \$78,299,877

A county budget of \$78,299,877 for the coming fiscal year was adopted Wednesday afternoon by the County Board of Supervisors.

During public hearings on Wednesday, the Board slashed \$705,144 from the budget, bringing to \$1,610,586 the total taken from the budget since hearings on the preliminary budget began in May.

The final budget for 1960-61 compares with \$70,803,848 for the current year, making next year's spending about \$7,500,000 higher.

T. H. Heggland, chief administrative officer, declined at the close of Wednesday's hearing to make any estimate of the tax rate for next year. However, Supervisors have given broad hints that even a rate reduction is possible.

The present rate is \$2.07 per \$100 of assessed valuation. This is nine cents higher than the rate of the 1958-59 fiscal year. Board members indicate they believe that increased valuations will make up for the county's part of the increased budget. Receipts from state and federal sources are expected to be at least \$42,000,000, up about 15 per cent from the current year.

Wednesday's budget cuts came mostly in "policy" items. These had been left in Heggland's recommended budget for the Board to settle as a matter of county policy.

The biggest item struck out was \$290,000 for a health insurance plan. The Board asked Heggland to make a study of proposed plans and report later with a recommendation.

Requests of the City-County Camp Commission for \$109,900 and \$219,800, for additions and for services, were reduced partly by removing some of the items asked for and then by putting funds for one building project into unappropriated reserves, to await a decision by the City Council of San Diego on whether it will share the costs.

A third large item that came

out was \$195,000 for the building for semi-bedfast patients at Edgemore. The reason for removal of this was that bids for the project just received show that ample funds have been provided and no additional money is required.

In establishing the county's finances for the coming year, Supervisors next start hearings in July as a Board of Equalization, to hear complaints on assessments. Then they have to set the tax rate not later than Sept. 1.

## Once Over Lightly

by Don Wilson

I hope that while you are reading this (and after the debacle of my two-weeks-ago no-column, I'm not sure that you are reading this) I shall be lying on a mountain, looking at the clouds through the branches of a tree.

I'm going on vacation. Probably, I should take a vacation from writing this column too, but I'm afraid to try that again.

We have had all the usual problems about where to go on vacation. Katy wants to go to the beach where she can swim. I want to go to the mountains. Paula suggested that we all go off somewhere, anywhere, and leave her alone for a week or so. She claims that just getting the rest of us out of the way for a while will be all the vacation she needs.

At this writing, we're planning to head for the mountains, with a day or two spent at a motel where there's a swimming pool, and then a day or two at the beach.

This swimming mania on Katy's part is due, I am sure, to the fact that she has been participating in the PTA-Red Cross backyard swim program. In just a few days she has

progressed from non-swimmer to a kid who can swim on her back across the pool, and can do the same thing on the other side too.

I sat in on one of the instruction sessions the other day and I was impressed.

Those gals who volunteer their time and effort in teaching these kids how to get along in the water are doing a real service, and if Katy is any example they're accomplishing their purpose. The basic idea, of course, is to teach water safety.

In most cases, they start out by teaching the kids how to swim. After they accomplish this, the next step is to teach them how to avoid getting into trouble in the water. It all ties into one package, of course.

The result: kids who enjoy swimming for pleasure, and who stand a better chance of not becoming a holiday statistic.

But back to my vacation. I'm going off for a few days. And maybe I won't write a column while I'm gone.

See you in two weeks.

## DOROTHY DIGS in the garden

Aster Blight or so-called Aster Wilt is caused in many instances by root insects such as woolly aphis, ground mealy and even wire worms. When the roots are attacked by these insects, naturally, the top of the aster plant shows a definite collapse. The same is sometimes true of snapdragons and, quite frequently, pansies.

You can solve this problem by disinfecting the soil with a copper-ether material which will not injure your plants if you use it according to directions. And where the injury has not advanced too far, you are sometimes able to save the

plants.

Where the asters or snapdragons or pansies have collapsed to such an extent that they show no sign of recuperation, of course you must pull them out of the ground and burn them.

But at any rate this treatment will protect the plants with which you replace the ones that have died, so it is advisable to give it the moment you see the first plants begin to wilt.

Pine trees and other evergreens will sometimes lose their needles as a result of breakdown caused by red spiders and mites. This kind of an infestation will burrow down into the needle pockets and draw out the chlorophyll, which means the life of the needle, thus causing the tree to lose its luscious appearance.

So, if your pines or evergreens have this sickly appear-

ance, if the needles are growing rusty and yellow looking, I think you should, without any doubt, have the trees sprayed with either a light oil emulsion containing nicotine, or with a keltane product.

Naturally, where the vitality of trees has been broken down by any infestation, it is advisable to build up the soil. This helps your evergreens to withstand and recover from insect

injuries. This is best done by giving proper fertilization and by using a product containing mineral elements to build up the soil.

Trees grow naturally in a forest but when transferred to artificial surroundings it is necessary to give them the minerals that they would receive automatically in their home.

## Cajon de Oro Little League Hitting High

Good hitting and good pitching continue to highlight the games of the Cajon de Oro Little League as far as the majors are concerned. The minors continue to pile up many runs as they go into the last half of the season.

Here are the scores for the majors in the past week.

June 21—Bears 7, Colts 5, with George Clauder as winning pitcher. The Bears had one double-play, Allen Phillips to Dave Miller.

June 22—Elks 8, Cougars 3, and the winning pitcher, Jon Majors, who also got the only home run.

In the first game of a double-header on June 25, it was Elks 11, Tigers 3, with Ken Clark as the winning pitcher, who also got a home run. His team mate, Tom Carroll, also got a homer.

In the second game, it was Cougars 9, Bears 1, with Warren Nall as the winning pitcher.

### MINOR SCORES

June 20—Robins 11, Larks 10, and the winning pitcher was Tom Christianson. The Larks made a nice double play, Wes Walden to Dave Brockett.

June 22—Eagles 23, Hawks 17, with Armend Mayencourt as the winning pitcher. He was recently brought up from the farm team.

June 24—Cardinals 29, Larks 12, and the winning pitcher, Chuck Shackelford.

June 24, in the first game of a double-header, it was Robins vs. Eagles. The game was forfeited by the Eagles for some unforeseen difficulty.

In the second game, it was Cardinals 23, Hawks 4. George Stock was the winning pitcher and his team mate, Steve Broton got the only home run of the game.

### Stronger Gutters

Because gutters for the home made of nickel-containing stainless steel are stronger than those made of ordinary steel or other materials, they can stand up under heavy loads of ice and snow without sagging, deforming or corroding.

### Re the Proposed Annexation to the SPRING VALLEY SANITATION DISTRICT

#### RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE SPRING VALLEY SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County: WHEREAS, GENE O. McMILLIN, the owner of certain property in unincorporated territory, State of San Diego contiguous to the Spring Valley Sanitation District, has requested this Board (Document No. 284755A) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Board of Commissioners has approved the boundaries of the proposed annexation (Document No. 284516);

WHEREAS, investigation of the proposed annexation by the Department of Engineering of the County of San Diego discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 284755); NOW THEREFORE BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Spring Valley Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

1. Beginning at the Southwest corner of the Northwest Quarter, Section 28, Township 16 South, Range 1 West, S.1/4, T.16S., R.1W., a point in the Eastern line of Eucalyptus Terrace, Unit No. 3, Map No. 2649, filed in the Office of the County Recorder of San Diego County, California, an angle point in the Spring Valley Sanitation District Boundary;

2. thence Northerly, along said sanitation district boundary and along said Eastern line, 647.73 feet to the Northwest corner of Tropic Heights, No. 1, Map No. 4525, filed in the Office of the County Recorder of San Diego County;

3. thence, leaving said sanitation district boundary, Easterly along the Northerly boundary of said Tropic Heights, South 89°34' 50" East, 338.87 feet;

4. thence South 7°41'25" West, 140.07 feet;

5. thence South 23°40'52" West, 97.45 feet;

6. thence South 1°11'31" West, 162.62 feet;

7. thence South 11°28'24" East, 95.93 feet;

8. thence South 1°56'44" West, 111.89 feet;

9. thence South 32°34'49" West, 70.49 feet;

10. thence South 0°55'10" West, 108.56 feet to the Southeast corner of said Tropic Heights, being a point in the East and West center line of said Section 28, being also a point in said sanitation district boundary;

11. thence Westerly, along said sanitation district boundary, North 89°18'50" West, 296.00 to the point of beginning.

b) That said Sanitation District following said annexation shall continue to be known by that name.

(c) That the Board of Supervisors hereby sets Tuesday, the 12th day of July, 1960, at the hour of 11:00 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310, San Diego City and County Administration Building, Civic Center, San Diego, California, as the place and time for the hearing of objections to the proposed annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish the resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the date of said hearing in the Spring Valley Bulletin, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 8th day of June, 1960, by the following vote:

AYES: Supervisors Gibson, Bird, Dent, and Austin.  
NOES: Supervisors None

### NOTICE OF SPECIAL ELECTION PERTAINING TO THE ANNEXATION OF

#### "PORTION OF LOT 40, LA MESA COLONY ANNEXATION"

TO THE CITY OF LA MESA. NOTICE IS HEREBY GIVEN that, pursuant to Ordinance No. 1151 of the City of La Mesa, California, and to the Annexation Act of 1913, a special election has been called to be held on the 28th day of July, 1960, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory in question whether or not such territory shall be annexed to, incorporated in and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation, be subjected to taxation equally with the property within the City of La Mesa to pay the entire bonded indebtedness of the City of La Mesa, outstanding or authorized at the date of the first publication of this notice of election, and whether or not the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:  
PORTION OF LOT 40  
LA MESA COLONY  
ANNEXATION TO THE  
CITY OF LA MESA

All that portion of Lot 40 of La Mesa Colony according to Map thereof No. 346 filed March 8, 1957, in the office of the County Recorder, County of San Diego, State of California, described as follows: Beginning at the most Northwest corner of Lot 46 of De Witt Tract, according to Map thereof No. 1444 filed May 22, 1912, records of said County, being also an angle point in the boundary of the City of La Mesa, as established by Ordinance No. 903, passed and adopted February 3, 1955, by the City Council of the City of La Mesa, and known as "Highland View Acres No. 2 Annexation to the City of La Mesa";

1. Thence Southerly along the boundary of said City, being also the Westerly line of Lot 42, 43, 44, 45 and 46 of said Map No. 1444, to the Northerly line of the Southerly 50 feet of said Lot 40, being also the Northerly line of the land belonging to Florence I. Lamb recorded November 15, 1956, in Book 6346, page 32 of Official Records;

2. Thence Westerly along the Northerly line of said land to the Northwest corner thereof;

3. Thence Southerly along the Westerly line of said land to the Southerly line of Lot 40 of said Map No. 346;

4. Thence Westerly along the Southerly line of said land and the boundary of the City of San Diego, said County and State, 363.55 feet to a point on said Southerly line distant therefrom 212 feet to the Southwest corner of said Lot 40;

5. Thence North 1°12' West, along said City of San Diego boundary, 196.20 feet;

6. Thence South 89°01' West 72 feet along said City of San Diego boundary to an angle point therein, said angle point being a point on a line that is parallel with and 140 feet Easterly, measured at a right angle, from the Westerly line of said Lot 40;

7. Thence North 1°12' West 380 feet more or less along said parallel line to the Northerly line of said Lot 40, being also a boundary of the City of La Mesa;

8. Thence Easterly along said Northerly line and City boundary to the Point of Beginning.

Said territory is designated and identified for the purpose and purposes and for use upon the ballots at said election as "PORTION OF LOT 40, LA MESA COLONY ANNEXATION".

For the purpose of said special election, there has been established in said territory one (1) voting precinct. The polling place for Voting Precinct No. 1 will be in the Rumpus Room at 5090 Keeney Street, in the said City of La Mesa, opened at 7:00 O'clock A.M. and closed at 7:00 O'clock P.M. on July 26th, 1960.

Upon the ballots to be used in said election there shall be printed the words:

"SHALL 'PORTION OF LOT 40, LA MESA COLONY ANNEXATION' BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY THEREIN BE SUBJECT TO TAXATION, EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUTSTANDING OR AUTHORIZED AT THE DATE OF THE FIRST PUBLICATION OF THE NOTICE OF ELECTION TO WIT, June 30th, 1960, FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?"

Opposite these words there shall be printed the words "YES" and "NO", and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (X) in the voting square after the printed word "YES" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (X) in the voting square after the printed word "NO" the vote of such elector shall be counted against such annexation.

In said precincts there shall be held said sales election, to be held in conformity, as near as may be, with the laws of the State of California, concerning general elections, with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the rates of interest payable thereon, are as follows:

Issue	Funds	Purpose	Maximum Rate of Interest (per cent)	Amount of Indebtedness on June 30, 1960
Sewer Bonds, 1944 (Outfall Sewer)			2-1/4%	\$15,000.00

## SV Chamber of Commerce Votes To Sponsor "SV Days" Fiesta

The Spring Valley Chamber of Commerce members voted Monday night to support and sponsor a "Spring Valley Days" fiesta, Oct. 8 and 9, it being the Chamber's 25th anniversary. Mrs. Robert R. (Rosario) Graham was appointed general chairman, with Mrs. C. V. (Jean) Eskridge, as co-chairman.

All organizations, churches, and businesses in Spring Valley have been invited to participate in the event.

It was decided that one of the highlights of the fiesta will be a parade, the route to be decided upon. Mr. and Mrs. Wilbert Zabel will be the community liaison chairmen, with Mr. and Mrs. H. E. (Bob) Howell and Mrs. Helix as co-chairmen. Mr. and Mrs. Howell are well known for their work with outstanding parades throughout Calif. and San Diego County.

Mrs. Ronald (Eileen) Smith was appointed chairman in charge of the historical monument, the "Old Adobe" building. On her committee are Mrs. H. A. Thomas and Mrs. Betty Seymour Robinson.

All organizations of the Valley, from Homelands to Sweetwater Lake, are asked to sponsor a booth at the Chamber of Commerce grounds, Oct. 8 and 9. All proceeds from these booths shall go to the sponsoring organization, with no "cut" to the Chamber of Commerce.

Each organization will build, set up and take down its own booth. Booth space shall be at

located on a "first come-first serve" basis. In the case of duplicate booths, the organization applying first shall be given the space.

Booths and events needed for the fiesta are:

Art and flower show, go-cart races, fast-draw contest, horse shoe pitching contest, baby diaper race, 4-H club, Little and Pony Leagues, "Whiskerino", merry-go-round, pony rides, food booths, cotton candy, balloons, dish-breaking booth and many others. Parking lots will also be needed.

The Chamber of Commerce will sponsor a talent show, dance, and a food booth.

The S.V. Chamber of Commerce asks only that prices and entry fees be kept to a minimum, so that all may participate. Application blanks will be found at most businesses in the Spring Valley area.

Oliver (Ollie) Askew, well known tumbling and gymnastics instructor of the Spring Valley-Lemon Grove area, has started a free youngsters tumbling and gymnastics class in the Pals and Gals clubhouse, directly across the street from the Spring Valley fire station on Troy st.

The class will continue each Saturday until school starts in the fall. The class for children six and 12 years old, will be from 10 to 11 a.m., and the class for the 12 years old and up will be held 11 a.m. to noon.

Askew said that the progress made by the pupils will be entirely up to them. Any youngster may enroll whether he (or she) has, or has not a background in tumbling or gymnastics. All will receive basic training in gymnastics and safely on "the mat," Askew said. He may be reached by phoning HO 6-8211.

Twenty courses will be offered in seven departments, Dean Parker said. The summer session will run from June 27 through August 5, and there will be three 75-minute class periods daily Monday through Friday.

Courses will be offered in Business Administration, Drama, Economics, English, History, Mathematics, Philosophy. A feature of the English and mathematics course offerings will be high school review courses for students planning to enter college this fall.

Tuition will be \$50 per course. Room and board are available on campus at rates of \$65 for room and \$75 for board for the six-week session.

## Anita Brook Becomes Bride of Lloyd England

Miss Anita M. Brook became the bride of Lloyd Edward England Jr., in a candlelight ceremony in the chapel of the First Presbyterian Church, San Diego, on June 18 at 7:30 p.m.

The bride, daughter of Mr. and Mrs. Jack J. Brook, 7151 Central ave., Lemon Grove, designed and executed her own gown of scalloped lace over satin and net, with scalloped and beaded neckline. Her finger tip veil was held by a beaded cap and she carried orchids and stephanotis. The bridesmaids wore medium blue silk organza and taffeta, the matron of honor was in royal blue, and the flower girl wore baby blue.

The attendants were: matron of honor, Mrs. Walter Thorpe; bridesmaids, Mrs. William Baker of Arizona, Mrs. Grant Winn, and Miss Stephanie O'Connor; best man, Dr. James H. Gallant, USN; ushers, John England, brother of the groom, William Brook, brother of the bride, and Edward Lagman; flower girl and ring bearer, Charlene and Rick O'Rear, cousins of the bride.

The groom is the son of C. W. O. Lloyd E. England, USN ret., and Mrs. England, 4555 Panorama Dr., La Mesa.

The couple both graduated from Helix High School and attended San Diego Junior College. They will reside in La Mesa.

Mr. and Mrs. Lloyd Edward England, Jr., cut their wedding cake.

## LMSV School Trustees Vote No Salary Increase

The La Mesa-Spring Valley School District board of trustees, Monday evening, voted to approve a preliminary budget of \$5,301,809, for the coming school year. This was \$23,000 under a previous proposal. The public hearing on the budget is scheduled for Aug. 1.

The board also voted that there will be no increase of salaries for any employees of the District during the coming year. There will be an extensive study by the board during the next 12 months, as to all administrative functions and salaries, according to Dick Manzella, coordinator of public relations for the district.

Manzella, who handled all news releases for the district, prior to the hiring of Dr. DeWayne Johnson, is back "at the old stand", on a part time basis. Dr. Johnson was released from duty with the district recently, due to a recommendation for economy.

In a telephone conversation with Dr. Johnson recently, a BULLETIN reporter was told by Dr. Johnson, "I believe the board of trustees did what they thought best and that they were operating in good faith. Legally, though, they should have notified me earlier that my contract would not be renewed."

Dr. Johnson's contract expires June 30, 1960.

## Spring Valley Lions Hold Car Wash

The Spring Valley Lions Club held a car wash, Saturday, June 25 next to Stan's Market, 9927 Campo rd., Spring Valley. It was very successful according to Stan Totten, a past president of the Lions.

There was a constant line of cars from 10 a.m. to 5 p.m. More than one car every five minutes was washed.

Charging \$1 per car, \$102 was raised. This money will go into the "kitty" for aid to the blind. \$5 was charged for washing a large semi truck and trailer.

**Nickel in Vacuum Tubes**

One of the most important uses of nickel in the electronics field is in the manufacture of vacuum tubes, many parts of which are fabricated from nickel, its alloys or nickel-coated materials.

**Grossmont Home**  
**Ruled 'Best**  
**For the Money'**

The award for the "Best Home for the Money" was presented June 21 to the Severin Construction Company of San Diego, by Hubbard H. Cobb, New York City, building editor of American Home Magazine. The 4-bedroom "Hempstead" luxury home in the Severin Grossmont Hills development in the Grossmont-Mt. Helix area had been selected by a panel of judges as California winner of the widely-known housing award by American Home Magazine. The prize was awarded on the basis of "excellence of its design and floorplan," plus the use of quality and brand-name materials.

Eighty builders, representing most of the major construction projects in California, competed for the state award. The "Hempstead" will now compete with winners from other West Coast states in a regional runoff. Finally, all regional winners will compete to receive a national designation of "Best Home for the Money."

**WORDS ABOUT WATER**  
"Today we in California are facing not only our historically everpresent threat of flood disaster, but also a new and imminent threat of economic disaster. Most... will remember the tragic events at Christ-mas time in 1955 in the upper Sacramento Valley, when 65 lives were lost and more than \$200 million of property damage resulted. In contrast with these continuing flood situations, we find serious water deficiencies in many areas of the State; deficiencies for irrigation water and for industrial and municipal water. Urban and agricultural areas throughout the State, north, central, and south are in critical need of supplemental water supply, some now, some in five years. Of even greater importance are the (water) supplies required throughout the State to sustain the growing requirements of a population predicted to top 32 million people by 1985."

Harvey O. Banks, Director  
State Department of  
Water Resources

**Principal Platinum Sources**

**Camp Fire Girls Summer Camp**  
The summer resident camping program of the San Diego County Council of Camp Fire Girls will get underway July 3 when Camy Wolahi in the Cuyamaca Mountains welcomes campers to its thirty-third season.

Camping is an integral part of the Camp Fire Girls program and girls from 7 to 17 enjoy a week of outdoor living under the skilled leadership of trained counselors. Included in the program are swimming, hiking, handicrafts, overnights, evening programs, games and many other activities providing fun and friendship.

Camp Wolahi will present six sessions in 1960, each beginning on Sunday and ending the following Saturday. Although the program is geared to program needs of Camp Fire Girls members, the camp is happy to accept non-member girls as space permits.

The weekly fee for members is \$28, which includes transportation from San Diego and all other costs. Non-members pay \$33.50 per session, which includes transportation. There are no other fees.

Persons desiring further information regarding the Camp Fire Girls summer camping program, including the schedule of 10 day camps conducted throughout the County, are invited to contact the Camp Fire Girls headquarters, 645 A Street, San Diego 1, BEImont 3-3157.
